ORDER

The scale of pay of Compounders in Government Medical Institutions was last revised in G.O.No. 78, Finance dated 6-2-47 and was fixed at Rs. 35-1-60. Inspite of the enhancement, representations have been received that the scale of pay was still inadequate and it should be increased further. The Drugs Consulatiye Committee appointed by Government of India also, while considering the question of implementing the Drugs Act, recommended inter alia that suitable scales of emoluments should be provided for Compounders in order to attract persons in increasing numbers to the profession of Pharmacy. The matter was accordingly re-examined in consultation with the Surgeon General. The Government have decided to increase the scale of pay of Compounders further and revise it into Rs. 45-2-55-1-75 with effect from the Ist September 1950. The pay of the existing incumbents will be fixed under the Fundamental Rules.

The expenditure should be debited to "38. b. Medical - Hospitals and dispensaries - I.A. Presidency Hospitals (excluding the Hospial of Indigenous Medicine) - 2. Pay of establishment - 2 B. Muffassal hospitals and dispensaries -2. pay of esablishment".

3. The Surgeon General is requested to report urgently the additional funds that may be required and the relevant sub-heads for sanctioning the necessary reappropriation from savings with the grant.
